BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 65-25-105(a)(11), is amended by deleting the subdivision and substituting instead:

(11) With respect to a primary purpose and the secondary purpose of supplying telecommunications and broadband internet access and related services, but without limiting the generality or particularity of subdivisions (a)(1)-(10), construct, maintain, and operate, and allow others, so long as such others are permitted by law to operate such systems within the cooperative's service area, to operate, electric, or other telecommunications or broadband internet access and related services transmission and distribution lines or other conducting or communications facilities along, upon, under, and across all of the following:

(A) Real property, personal property, rights of way and easements owned, held, or otherwise used by the cooperative. Any easement owned, held, or otherwise used by the cooperative in pursuit of a primary purpose may be used for any secondary purpose; and
