(2) A scrap metal dealer shall not purchase, receive, or otherwise acquire any scrap metal:

(A) Directly from a person younger than eighteen (18) years of age; or

(B) Obtained with the aid of a person younger than eighteen (18) years of age.

(3) If a scrap metal dealer purchases an unattached catalytic converter or scrap metal consisting of copper, then the scrap metal dealer shall keep possession of the unattached catalytic converter or scrap metal consisting of copper for at least five (5) days from the date of purchase.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
